

TANZANIA GEOLOGICAL SOCIETY (TGS)

2018 ANNUAL MEETING AND WORKSHOP

FIRST CIRCULAR

DODOMA
August 2018

FIRST CIRCULAR - TANZANIA GEOLOGICAL SOCIETY (TGS)

2018 ANNUAL MEETING AND WORKSHOP

The Tanzania Geological Society announces the TGS 2018 Annual Meeting and Workshop on “**The role of geoscientists in the Tanzania Industrial Development**”. The workshop and meeting will take place in **Dodoma** in end of August 2018.

The workshop will cover **EIGHT** sub-themes (as listed below); we are inviting **abstracts** for ORAL and POSTER presentations that will fit to the listed sub-themes.

1. Energy for industrial development
2. Small scale mining in Tanzania
3. Legal and regulatory framework in the Tanzania’s mining sector
4. New updates in the geology of Tanzania
5. Mine waste and water management
6. Geo-tourism and geo-ethics for industrial sustainability
7. Environmental management and conservation in extractive industry
8. Entrepreneurship and innovation in extractive industry

Abstracts can either be submitted via email, **tgswatanzania@gmail.com**, or via our website (**<https://www.tgs.or.tz/>**) on registration portal. Registration process will be done online through our website (**<https://www.tgs.or.tz/>**), whereby the portal for registration will be open until **31st July 2018**. Payments of fees for the workshop should be done directly to TGS bank account:
